

Aldgate Valley Reserve Species List
(developed from Tree & Shrub Planting Plan
Compiled by Elspeth Young for Aldgate Valley Landcare Group Inc.)

(Additions by Minimal Disturbance Bushcare November 2013, October 2015, April 2018)

<u>South-facing slope adjacent to Aldgate Valley Road</u>	<u>Conservation status</u>	
	SA	SL
Acacia myrtifolia – myrtle wattle		
Acacia pycnantha – golden wattle		
Acacia verniciflua – varnish wattle		U
Acaena echinata– Sheeps Burr (2013)		
Acrotriche fasciculiflora – pink ground-berry		U
Alternanthera denticulata – lesser joyweed (edge of dam - MDB 2018)		U
Baumea tetragona – Square twig-rush (2013)		U
Marianthus bignoniaceus - orange bell-climber (formerly Billardiera)		U
Blechnum nudum – Fishbone Water Fern (2013)	R	R
Blechnum minus – Soft Water Fern (2013)		U
Bursaria spinosa – Sweet Bursaria		
Carex sp. – Sedge (2013)		
Correa decumbens – Spreading Correa		R
Dianella revoluta – Black-anther Flax Lily (2015)		
Eucalyptus obliqua – messmate stringybark: (open forest)		
Gahnia sieberiana – Red fruit cutting grass		U
Geranium sp. - Geranium (2013)		
Lemna disperma - Common Duckweed (2013) (in small pond on slope)		
Lobelia anceps – Angled Lobelia (edge of dam - April 2018 MDB)		
Olearia grandiflora – Mt Lofty Daisy-bush (2013)		U
Pimelea linifolia, ssp linifolia – slender riceflower		
Pteridium esculentum - Bracken Fern (2013)		
Pultenaea acerosa – Bristly bush-pea		U
Pultenaea daphnoides – Large-leaf bush pea		
Tetraloche pilosa, ssp pilosa – Hairy pink-bells		
Viola hederacea – Ivy-leafed violet (2013)		R

Along the Valley Floor (incl. Creekline)

Acacia melanoxylon - Blackwood		
Acacia retinodes - wirilda		
Adiantum aethiopicum – Common maiden-hair fern		
Blechnum nudum – Fishbone Water Fern (2018 MDB)	R	R
Caesia caliantha– Blue grass-lily (2013)		
Carex sp. – Sedge (2013)		
Eucalyptus viminalis, ssp. cygnetensis – rough barked manna gum		
E. dalrympleana ssp. dalrympleana – Candlebark gum	R	R
E. leucoxylon – S.A. blue gum: (open woodland)		
Gahnia sieberiana – Red fruit cutting grass		U
Juncus pallidus – Pale rush (2013)		
Juncus sp.		
Leptospermum continentale – Prickly tea-tree		
Microlaena stipoides var stipoides – Weeping rice-grass (2013)		
Persicaria decipiens – Slender knotweed - (2013)		
Pteridium esculentum - Bracken Fern (2013)		
Viminaria juncea – Native Broom/Golden Spray (planted) (2013)	R	R

North-facing slope below Shanks Rd. around and behind the Scout hut

	<u>Conservation status</u>	
	SA	SL
Acacai gunnii – ploughshare wattle	R	R
Acacia myrtifolia – myrtle wattle		
Acacia verniciflua – varnish wattle		U
Acrotriche fasciculiflora – pink ground-berry		U
Arthropodium sp. –Vanilla lily (2013)		
Austrostipa sp. – Spear Grass (2015)		
Bursaria spinosa – sweet bursaria		
Burchardia umbellata – Milkmaids (2015)		
Caesisa calliantha – Blue Grass Lily (2015)		
Callitris rhomboidea – Oyster Bay pine		R
Calytrix tetragona – Common fringe-myrtle		
Cassytha melantha – Strangle Vine (2015)		
Correa decumbens – spreading correa		R
Dillwynia hispida – Red parrot-pea		
Dianella revoluta – Black-anther Flax Lily(2015)		
Epacris impressa – Common heath		
Eucalyptus fasciculosa – pink gum	R	
Eucalyptus cosmophylla – cup gum: (low woodland)		
Grevillea lavandulacea – Spider flower		
Hakea carinata		
Hakea rostrata – beaked hakea		
Hibbertia exutiacies – Prickly guinea-flower		
Lomandra fibrata		
Lomandra micrantha		
Lomandra multiflora ssp. dura		
Marianthus bignoniaceus - orange bell-climber (formerly Billardiera)		U
Olearia grandiflora – Mt. Lofty daisy-bush (2013)		U
Platylobium obtusangulum – common flat-pea		
Tetratheca pilosa – Pink Eyed Susan (2015)		
Tricoryne elatior – Yellow Rush Lily(2015)		
Stackhousia aspericocca – Candles(2015)		
Xanthorrhoea semiplana – grass-tree		

Notes:

1. A tree fern amongst bracken fern near the watercourse has variously been described as native and introduced, and requires identification
2. A creeping grass at the south edge of the dam requires identification, as it is invading the damp dam ground rapidly.

Alien species (all observed 2013 except as noted: (2015, 2018). Some further ID needed.

- **Acacia longifolia* – Coastal Wattle
- **Acacia baileyana* – Cootamundra wattle – 2018 (tbc)
- **Acer* sp. – Maple/Box Elder/Sycamore - ID needed
- **Agapanthus praecox* ssp. *orientalis* – Agapanthus 2015
- **Allium triquetrum* – Three corner Garlic 2015
- **Anthoxanthum odoratum* – Sweet Vernal Grass 2015
- **Cirsium vulgare* – Spear Thistle 2015
- **Chrysanthemoides monilifera* - Boneseed
- **Cotoneaster* sp. – Cotoneaster
- **Cytisus scoparius* - English Broom
- **Delairea odorata* – Cape Ivy 2015
- **Dactylis glomerata* - Cocksfoot
- **Erharta* sp. Veldt 2015
- **Erica arborea* - Tree Heath
- **Erigeron karvinskianus* – Seaside Daisy (near Shanks Road Bridge) 2015
- **Fraxinus angustifolia* – Desert Ash
- **Fumaria capreolata* – White flower Fumitory 2015
- **Gallium aparine* - Cleavers
- **Gladiolus* sp. - Gladiolus
- **Hedera helix* - Ivy
- **Holcus lanatus* - English fog
- **Ilex aquifolium* – Common Holly
- **Myosotis* sp. (below *Blechnum*, near *Lobelia*) [check id on this one, there is a native *myosotis*] 2015
- **Oxalis purpurea* - One O'Clock (don't recall seeing this-2015)
- **Oxalis incarnata* – Pale Flowered Wood Sorrel 2015
- **Pennisetum macrourum* - African Feather Grass (now known as *Cenchrus macrourus*)
- **Pinus* sp. – large mature pine trees
- **Pittosporum undulatum* – sweet Pittosporum
- **Ranunculus* sp. 2015
- **Ricinus communis* - Castor Oil plant [not sure on this one, spotted 2 plants on slope across creek, haven't been over there to check id] (2015)
- **Rubus anglocandicans* - Blackberry
- **Rubus* sp. - Rose
- **Salix* sp. – Willow
- **Solanum nigrum* – Nightshade (2018)
- **Sparaxis* sp. 2015
- **Tradescantia fluminensis* – Wandering creeper (2015)
- *Tree Fern – ID needed
- **Ulex europaeus* – Gorse
- **Vinca major* – Blue Periwinkle (2015)
- **Watsonia meriana* var. *bulbillifera* - Bulbil *Watsonia*
